

# *Historic Hotel Bethlehem*

On May 22 of 1922, the Hotel Bethlehem, built in the opulent style popular in the roaring twenties, opened its doors. Some of the outstanding and extraordinary design elements are the soaring Palladian windows of the terrace room, marble, terrazzo and mosaic flooring, gilded Corinthian columns and hand wrought ornamental iron work. Many of these dazzling features were thoughtfully preserved. In 2005, the hotel became a member of the prestigious Historic Hotels of America and, thus was renamed The Historic Hotel Bethlehem. Today, the hotel is Trip Advisor's #1 customer rated hotel in the Lehigh Valley with the glamour and lavishness of the roaring twenties.

The Moravians started the tradition of hospitality at this site and the hotel strives to continue that same tradition today. Award-winning Chef Michael Adams

invites you to experience casual and fine dining in the 1741 on the Terrace and The Tap Room restaurants, with menus featuring farm fresh ingredients. The Tap Room is Lehigh Valley's premier jazz venue. The award-winning Musical Sunday Brunch has been named one of the Top 100 Brunches in the country by Open Table.

The 128 elegantly restored guest rooms and suites feature spectacular views of historic downtown Bethlehem's Main Street, Moravian College, and the noteworthy Star of Bethlehem. The hotel's state of the art facility, excellent location, impeccable service, and expert catering team guarantee the success of events, meetings, conferences, seminars, or weddings.

The newest member of the hotel's esteemed family is The Shoppe at Hotel Bethlehem. It combines the best of two worlds; shopping and sweet treats. The Shoppe features distinctive gifts, accessories, jewelry, home decor and Penn State Creamery Ice Cream. Enjoy!
