GRANT GUIDELINES:

- **All applications must be complete in order to be considered**
- Grant awards are made at 20% of the project cost - with a maximum payment cap of \$1000.00 per address per calendar year.
- A grant may be requested for improvements made to sidewalks, exterior lights and the removal and replacement of street tree(s). A removed street tree **MUST** be replaced with a city-certified tree. The "curb section" is defined as the area between the public sidewalk and the public road. Trees that die due to homeowner neglect are not eligible for a grant.
- Homeowners in the BHDA may apply for one grant on an annual basis if they have been a member of the BHDA for two consecutive years. (New property owners are exempt from this requirement.)
- Grants are not available to owners of commercial properties or institutions
- The exterior improvement work must have been completed within 12 months of the grant application.
- *All grants are subject to availability of funds and board approval and awarded on a first come first served basis.*
